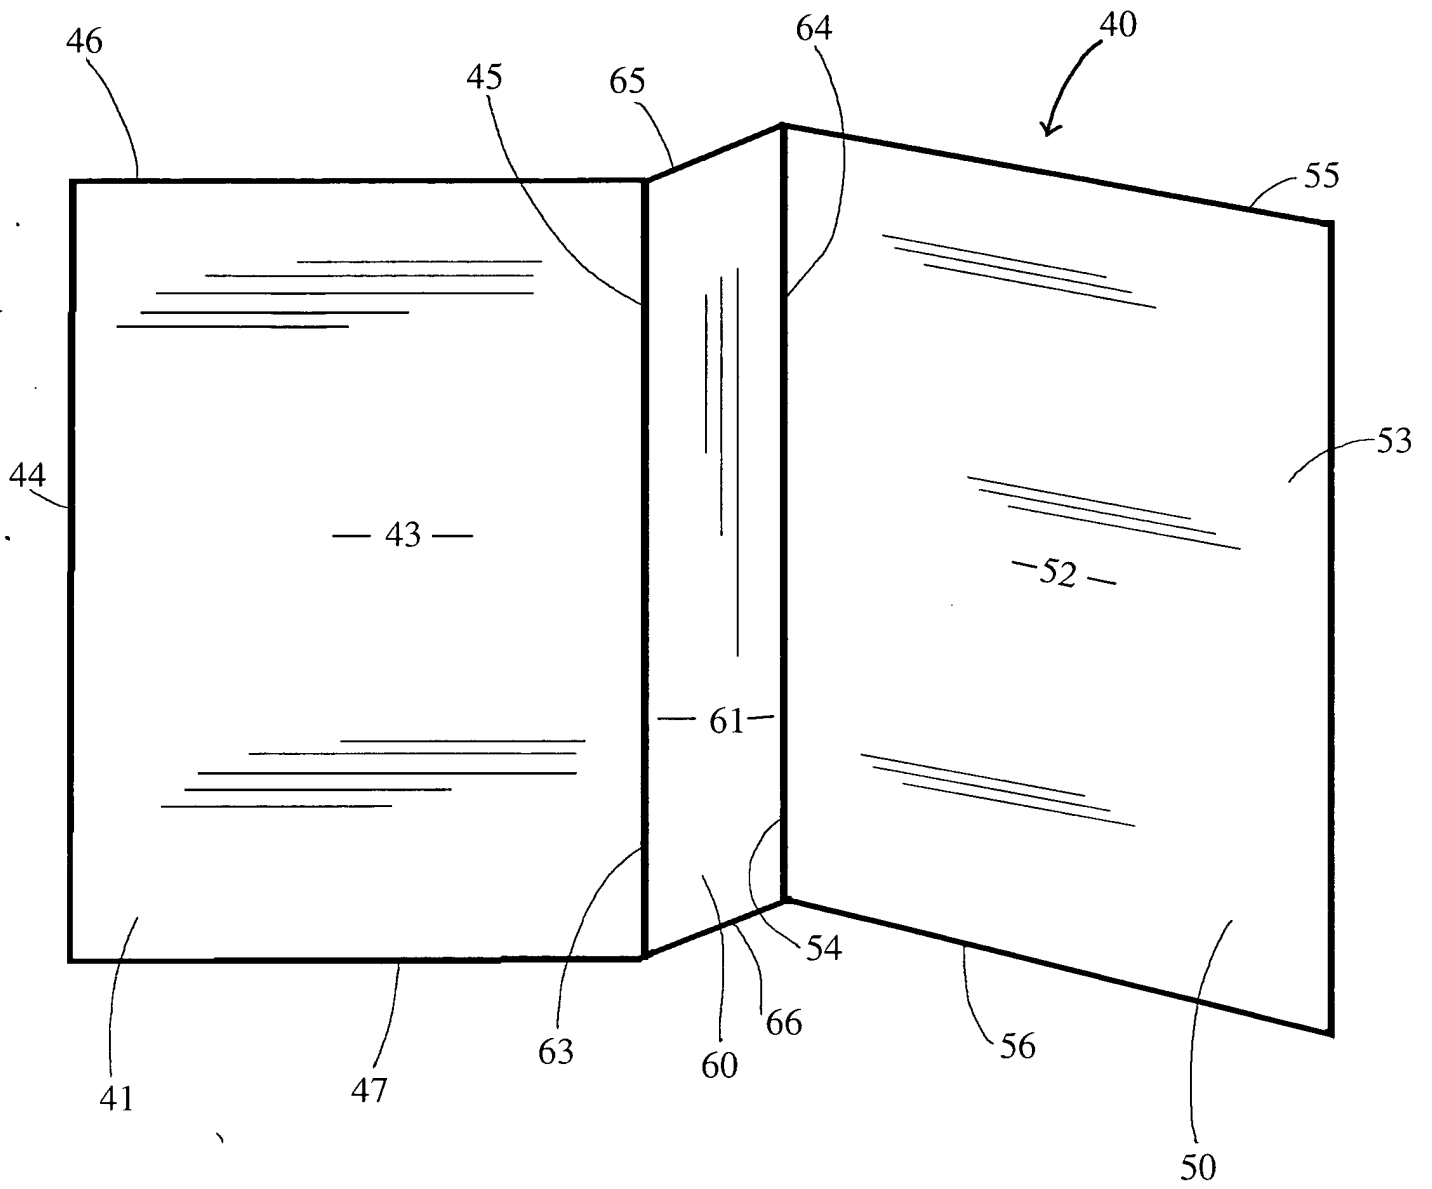

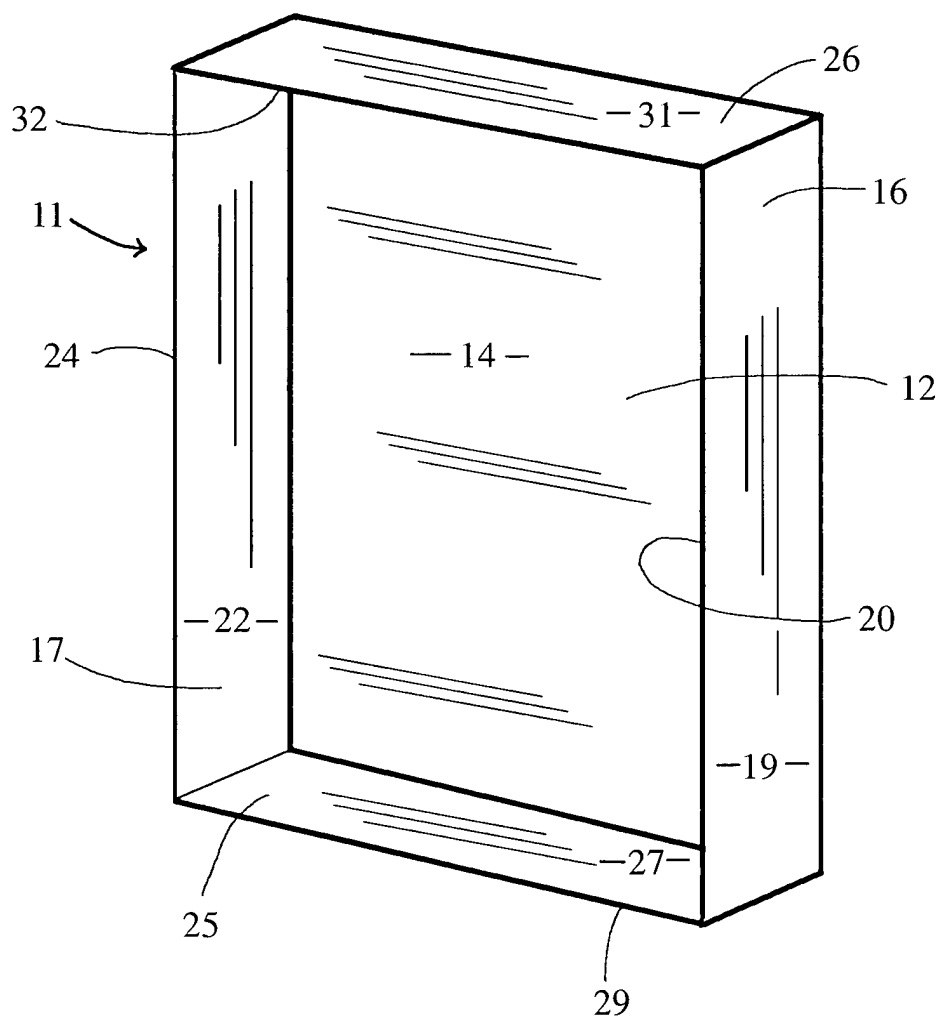

Fig. 4

A cross-sectional view of a rectangular structure. It features a central rectangular cavity (18) surrounded by a multi-layered wall. The wall consists of an inner layer (22) and an outer layer (23). The top layer (20) and bottom layer (53) are thicker than the side layers (19). The top layer (20) is labeled with 42 and 44, and the bottom layer (53) is labeled with 52 and 15. The left side layer (23) is labeled with 24 and 62. The right side layer (19) is labeled with 44 and 53. The central cavity (18) is labeled with 43.
